# Mock Teaching Feedback Form

Presenter: _____ Observer: _____ Date: _____

Please answer the questions below based on the mock teaching session. For each topic, write one thing the presenter did well and one thing that could be improved.

## 1. Technical Delivery

- Did the presenter use the time effectively? Give an overview of the class structure? Seem well prepared?
- Was the board work or slides easy to read? Was their voice clear and audible?
- Did they face the audience, rather than talking to the board?
- Did they wrap up with a summary or key takeaway?

## 2. Communication and Language

- Did the presenter seem approachable?
- How did they ask and respond to questions?
- Did they avoid discouraging phrases like “this is obvious” or “this is trivial”?
- Did they give enough wait time after asking a question?

## 3. Student Engagement and Cohort Needs

- Did the presenter encourage engagement? What techniques and strategies did they use, and how well did they work?
- Did the pace and level fit the students in the room?
- Did they check for understanding? Did they motivate the topic or connect it to something students already know?
